Brought to you by the Montgomery County Sheriff's Office

Message from Sheriff Craig S. Allison:

Over the years, I have come to realize a lot of our citizens are going out of their way to find certain resources that, unbeknownst to them, are available right here in Montgomery County. I wanted to ensure our citizens were aware of all these resources that are available to them, locally or much closer than they thought.

I had this idea of giving the community one place to go to find any available local resource they needed to assist them both in their times of need and in their everyday lives. We've started compiling a list of all the local resources we could find and coined it the "Family Yellow Pages".

I want to say a special thanks to the Gentry family, pictured on the front cover, whom have made it their mission to spread the gospel and love throughout our community.

The Gentry's- Robert, Kellee, and their three amazing children Tyler, Anna, and Kyler are a very energetic family who moved from Oklahoma to Montgomery County in 2018. Both Robert and Kellee play an important role in the High Hill Christian Church. Robert is the current Executive Pastor and Kellee is the Director of Family Ministries.

Additionally, Kellee is the Lead Strategist whose job is writing church curriculums for a company known as "Stuff You Can Use" and spends a lot of her time volunteering for Love Out Loud 365 "LOL".

Robert is the Executive Director of Love Out Loud 365 "LOL". Robert and Kellee said that their church wanted to revamp their outreach in the community. Robert and Kellee came up with the idea of "LOL" and pitched it to their church elders, who loved the idea. They worked together as a church leadership team to design the logo, set the direction, and decide on what kinds of things LOL would do for the community. Kellee said the goal of LOL is to inspire others to go out and share the word of Jesus and to love others.

We hope you'll find this information useful, and ask that should you have any questions, comments or additional information on resources to be added please contact us at (573) 564-8084.

Thank You & Be Safe,

Craig S. Allison, Sheriff
Montgomery County, Mo.
